I Solved A Murder - Episode #0 Description

On July 4th, 2002 the dismembered and badly decomposed body of a woman is found hanging above a river in Philadelphia. Police suspect she may have been homeless and worry the crime will never be solved. When professional soccer player and homeless volunteer Adam Bruckner gets drawn into the investigation, he becomes obsessed with finding the killer.

San Francisco Bay Area professional entertainer www.PhillipEWalker.com plays #1 suspect Mosley in the Indigo Films' *A&E TV Bio Channel* replacement series pilot produced, directed and written by Sarah Kass. This airing serves as the www.AfricanAmericanHolidaySeason.ORG 2013 Black History Month offering.
